PULP & PAPER
Industry Conference

A Must-Attend Event for Pulp & Paper Professionals

Join the rising stars of your industry and build your intellectual capital by attending **the premier technical conference** for Electrical Professionals supporting Forest Products based industries *(Pulp, Paper, Packaging, Board, Tissue, and Building Products).*

Visit Us at
BOOTH #6

Join us at the 69th Annual Pulp & Paper Industry Conference, **June 9th–13th** in **Charleston, West Virginia**.

This event is packed with technical content and tutorials **specific to the Pulp & Paper industry**, along with opportunities to connect and learn from other professionals in the industry.

EARLY BIRD RATE $1,195
expires May 10th

1st Time Mill Attendees SAVE 50%
Stay at Host Hotel SAVE $500
IEEE Members SAVE $100
Mill Employees SAVE $100
Retirees/Students SAVE $200

WHAT TO EXPECT:

Establish Relationships by sharing best practices with paper mill electrical engineers from across the industry.

Gain Technical Knowledge from over 20 new industry specific technical papers presented with follow-up Q&A sessions.

Meet World-Renowned Experts presenting tutorials on practical solutions to mill problems, assuring that you're up to date with the latest information available on issues that affect your mill.

Develop Industry Best Practices by participating in group meetings during the conference on Power Distribution, Drives & Control Systems, Safety and Engineering Management, Maintenance and Construction.

Complete Continued Education Requirements or earn credit hours to retain a Professional Engineering license with over 28 Professional Development Hours (PDH's) available for attendees to earn.

Maximized Learning with Minimal Time Away from the mill during this three-day event chocked full of content–with an optional fourth day of tutorials.
